

Material Specifications

Artwork Design Process

If you don't have your own artwork, we provide a free design and photography service for your first advertisement.

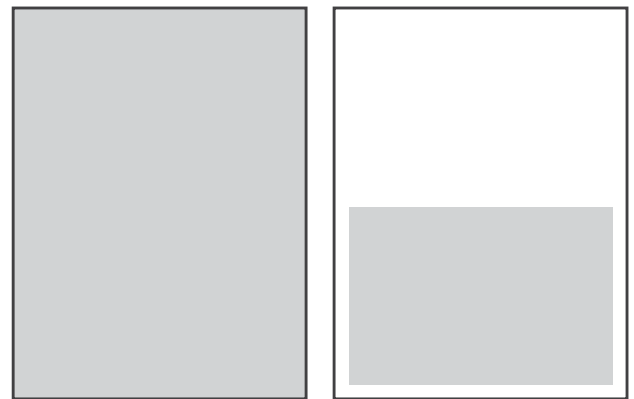

- › Please submit your completed booking form to us.
Fax: 02 6867 9895
Email: editor@lifestylemagazine.net.au
- › Please submit your content, images and design instructions to artwork@lifestylemagazine.net.au - including the Artwork Design Form (or by providing similar information in an email).
- › Format of your material: Typed email text or Microsoft Word format preferred for content/information, images to be supplied as high resolution JPEG files (images embedded in a MS Word file or similar format will not be accepted).
- › Please liaise with us if you wish to use our photography service to schedule a time.
- › We also offer a stock photography purchase service for your convenience, please enquire with our graphic designer (\$11/image).
- › Future design changes can be made when required, prior to each new edition (\$88/hour).

Print Ready Artwork

We welcome advertising artwork provided by advertisers, prepared to our specifications below.

- › Finished artwork to be emailed to artdirector@lifestylemagazine.net.au
- › PDF preferred (other formats may be accepted, but will not include Word or Publisher files).
- › Files should be saved as CMYK colour format, all fonts embedded or outlined, and artwork flattened.
- › Where a bleed is required (full page only), artwork should also include a 15mm 'safe area' to allow for page gutter.
